**PETITION TO REVIVE UNAVOIDABLY
ABANDONED APPLICATION UNDER 37 C.F.R. § 1.137(a)**

S I R:

Applicants hereby petition to revive the above-identified patent application under 37 C.F.R. 1.137(a). The application became unavoidably abandoned on October 9, 2007 for failure to timely respond to the Notice of Allowance and Fee(s) Due dated July 9, 2007.

Applicants hereby submit the required response, *i.e.*, payment of the Issue Fees, in response to the Notice of Allowance dated July 9, 2007 in order to revive the application and proceed to issuance.

The entire delay in Applicants' failure to file a response to the Notice of Allowance of July 9, 2007 was unavoidable, as Applicants did not receive the Notice of Allowance purported to have been mailed on July 9, 2007 by the United States Patent and Trademark Office.

Applicants assert that no such Notice of Allowance was received at the mailing address of record. Annexed hereto as Exhibit A are Lists for Mail Received for the period of July 2, 2007 to August 31, 2007. As the attached Lists for Mail Received from July 2, 2007 through August 31, 2007 indicate, no mail relating to the above-identified application, identified by client/matter number 10191/4227, was received from the United States Patent and Trademark Office. Additional Lists for Mail Received are available for additional periods, if required. If the Office Action purported to have been mailed on July 9, 2007 had been received, such receipt would be indicated on a List for Mail Received.

To date, Applicants have not received the Notice of Allowance purported to have been mailed on July 9, 2007 by the United States Patent and Trademark Office. Applicants learned of the Office Action when the Notice of Abandonment dated November 2, 2007 was received at Kenyon & Kenyon LLP at One Broadway, New York, NY 10004, the mailing address of record in the subject application. Applicants subsequently obtained a copy of the Notice of Allowance dated July 9, 2007 from the file history available on U.S. Patent Office Private PAIR system.

Annexed hereto as Exhibit B is a docket report listing the due dates for Issue Fees for the period from July 1, 2007 through October 31, 2007 for all cases for the same client as in the above-identified application. The attached docket report does not include an entry for filing a response to the Notice of Allowance in the subject application. If the Notice of Allowance purported to have been mailed on July 9, 2007 had been received, several response dates, *i.e.*, two target dates for paying the Issue Fees (one in August and one in September), and the final date for paying the Issue Fees (October 9, 2007), would have appeared on the docket report. As is apparent, no such dates appear among the entries for client/matter number 10191/4227.

Annexed hereto as Exhibit C is a copy of the file jacket for the above-referenced application. The file jacket does not include an entry for a Notice of Allowance. If the Notice of Allowance purported to have been mailed on July 9, 2007 had been received, an entry would have been made on the file jacket for receipt of the Notice and for the due date for response.

It is respectfully submitted that the foregoing is a sufficient showing that the entire delay in responding to the Notice of Allowance was unavoidable.

Kindly charge the petition fee of \$510.00 under 37 C.F.R. § 1.17(l) to the Deposit Account of Kenyon & Kenyon, Deposit Account No. 11-0600. The Commissioner is hereby authorized to charge any additional fees or credit any overpayment in connection with these papers to Deposit Account No. 11-0600. A duplicate copy of this paper is enclosed for charging purposes.

Respectfully submitted,

Dated: January 30, 2008
